Mr. R. Rogers

Dedication

As we journey through the dim passage of life, we look
back and remember. We remember the times good and bad,
We remember the joys and tears, the wins, and the losses,
but most of all we remember the people who made the memories.
It is with these thoughts in mind that we dedicate
the 1977 edition of Passage to the five dedicated members
of this staff who were among the very select group of
staff members who entered Northwest High School on
January 27, 1964:

Mr. Daniel Feigenblatt

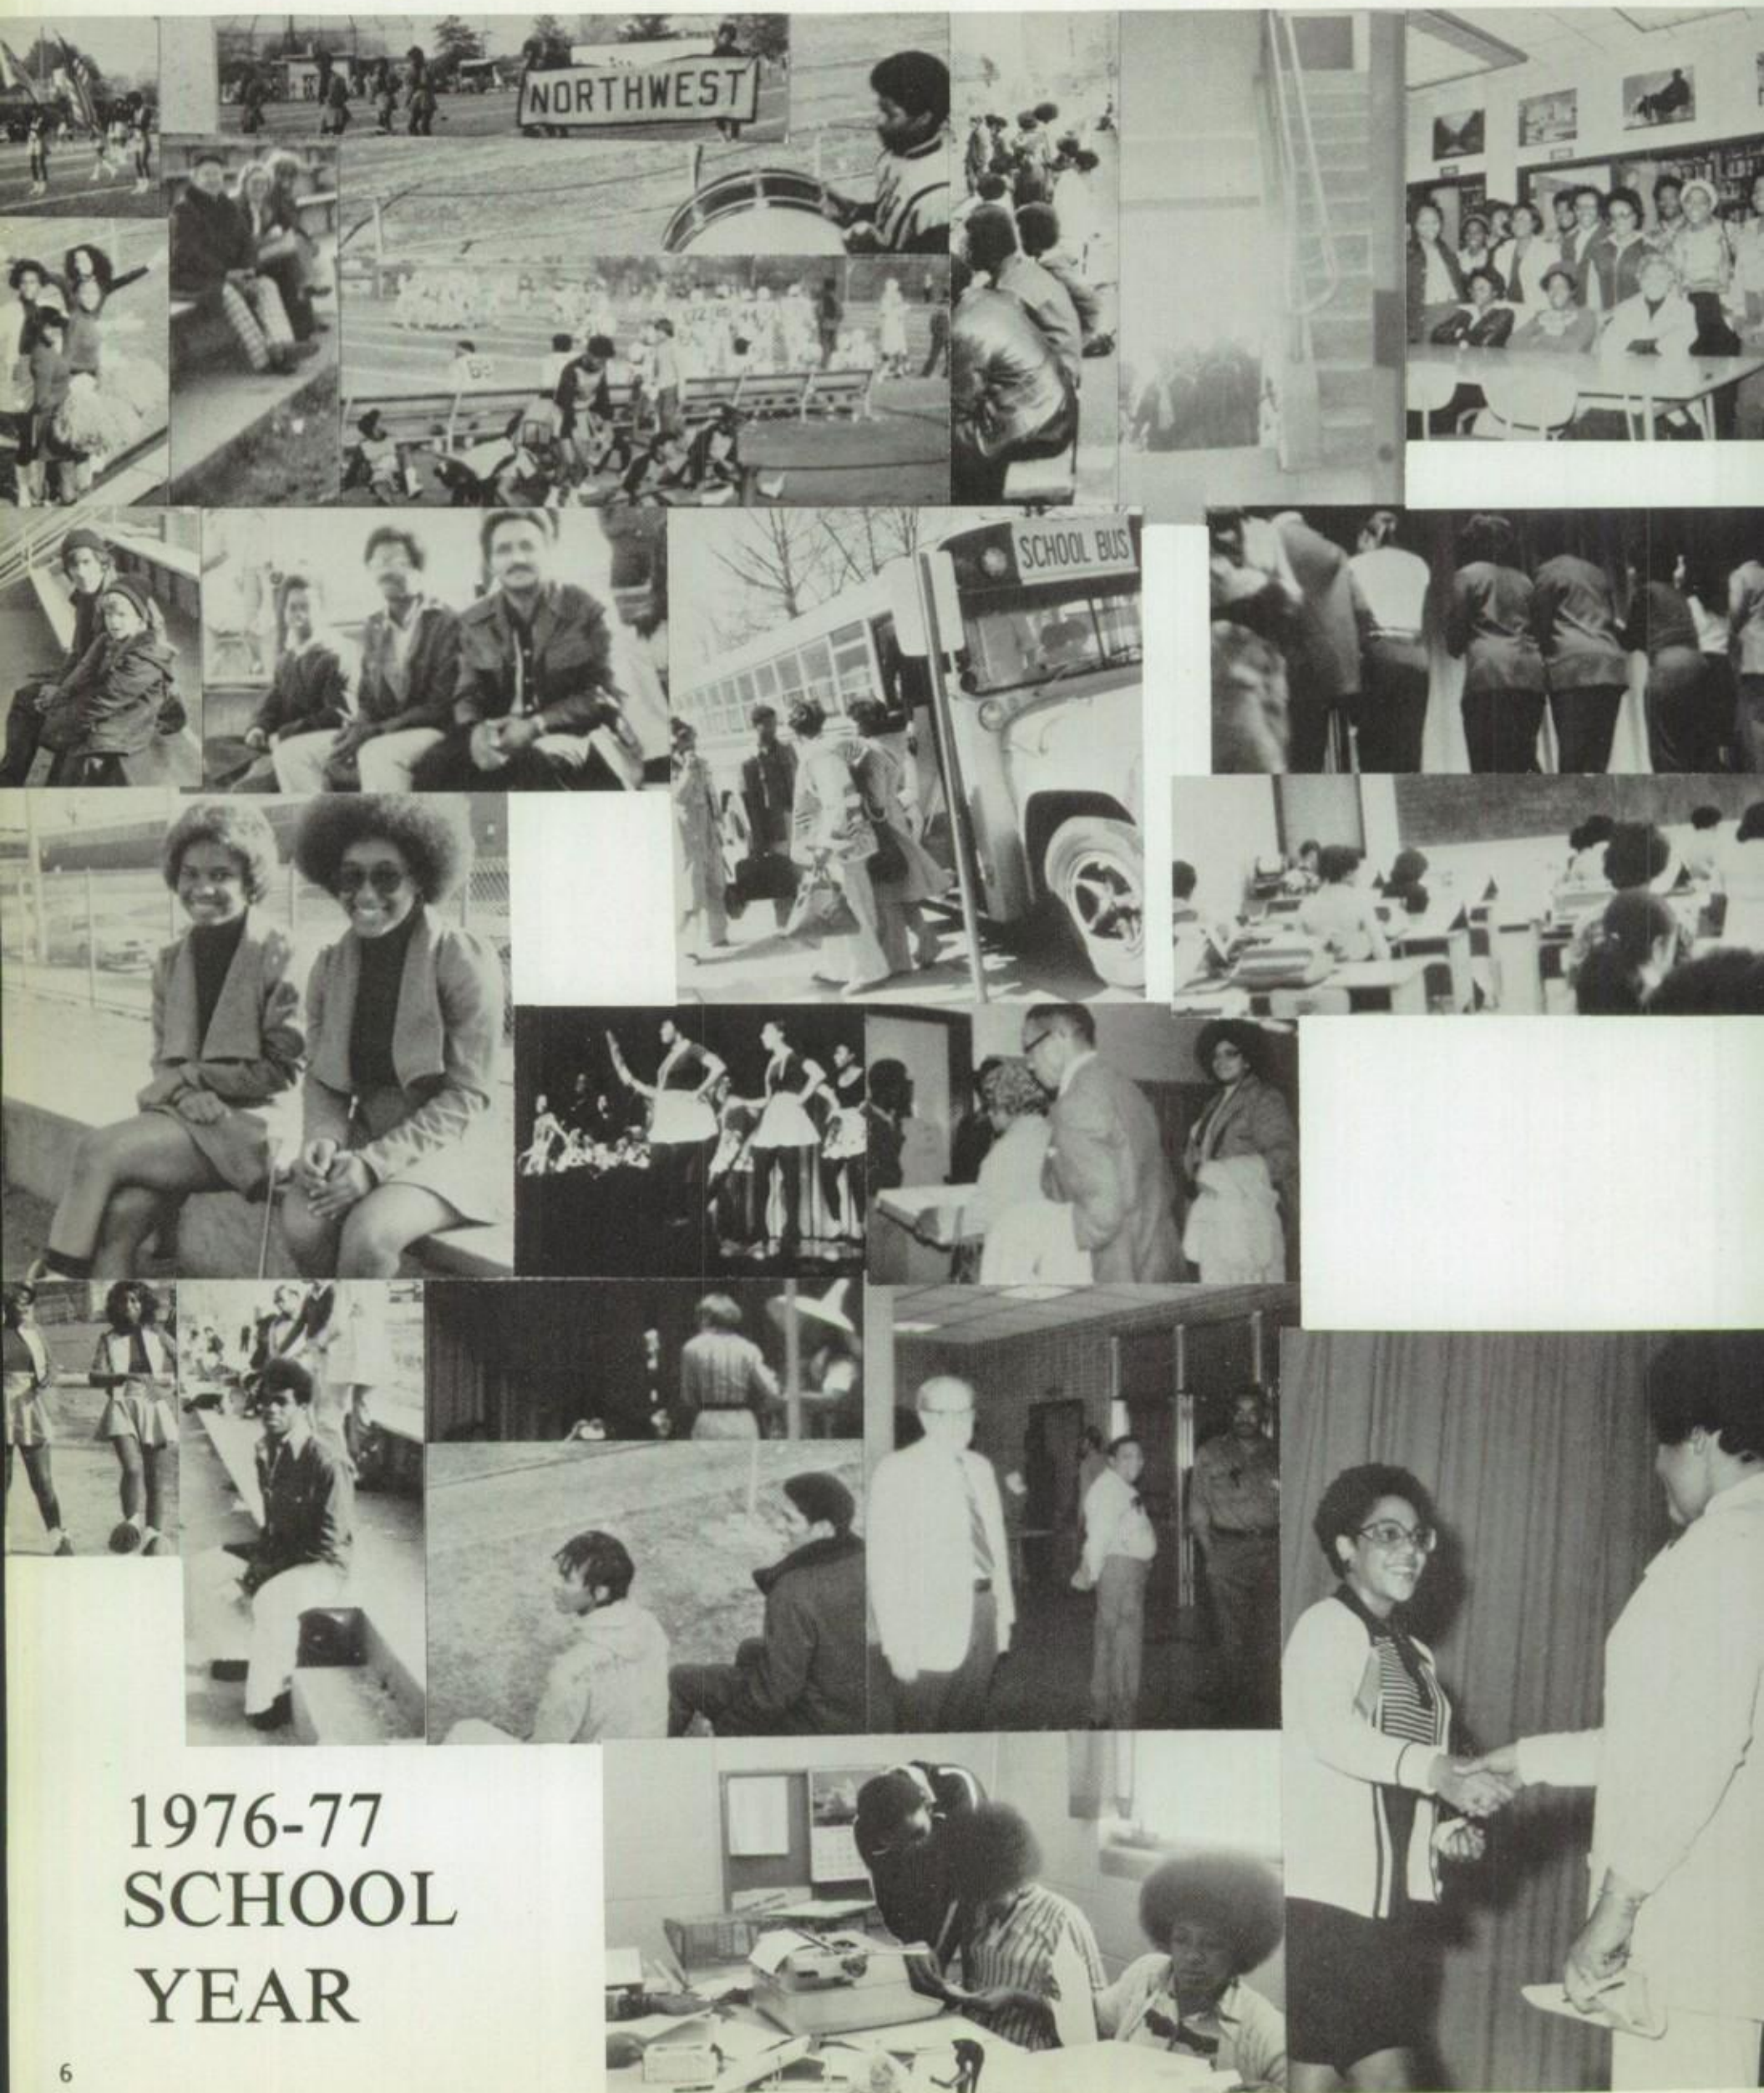

Mrs. Maurene G. Flipper

Mr. Marvin J. H. Knowlen

Mrs. Irma L. Young

Mr. Robert L. Rogers

Principal's Message

Dear Students,

I hope this yearbook provides a very happy occasion for you.

A yearbook is a very, very valuable book to own - to keep - to cherish. You will find as times go by the value of your yearbook increases.

This yearbook represents a summary of the many high school activities you have participated in for this year. For the Seniors it is an extremely important record of the many activities which are traditional for "Seniors Only". It is important because this is a record of the classmates with whom you have shared a very important life event - the receipt of your high school diploma.

For the other students, this yearbook is only a partial record of your involvement; because there is time left for you to participate in activities, to make new friends, to join new organizations to take part in student activities and to accomplish many personal goals.

High School years are very important years in the life cycle of each one of us; and it is with this thought in mind that I say to each of you I am here to listen to you - to hear what you have to say and to provide assistance and leadership which makes your high school years an experience to remember with pride, extreme comfort and satisfaction.

I challenge the entire student body to remember - your yearbook is a lasting record of you and for you; therefore, your record of scholarship, citizenship and activity participation should be you at your very, very best.

My personal thanks to all who have had a hand in completing this publication of Passage.

Sincerely Yours,

Erma G. Brasfield

Mrs. Erma G. Brasfield, Principal

PROCLAMATION

NORTHWEST/SOLDAN DISTRICT

PARENT ADVISORY COUNCIL - PARENT CONGRESS - SCHOOL STAFF ST. LOUIS PUBLIC SCHOOLS

Whereas the St. Louis Public Schools are and always have been very fortunate to have an abundance of parents who have shown interest and concern in their children's education.

Whereas numerous parents and community persons spend many hours volunteering in varied capacities in our schools.

Whereas concerned community citizens and parents are consistently sharing their time and expertise helping to provide quality education for all children.

Whereas the Northwest/Soldan District Parent Advisory Council, Parent Congress, school staff and entire school system fully realize that parents and community persons provide valuable services to our schools and feel that without their help and assistance, many activities would not exist.

We hereby proclaim the week of February 28th through March 4th in the year of nineteen hundred and seventy-seven be named Red Carpet Week for All Parents and the ENTIRE Community in the Northwest/Soldan District.

Signed:

And J Mahan

1976-1977
The Initial Year for the
Parent- Conference ...
Scheduled Opportunities for
Parent-Teacher Visitations

A long awaited and welcomed event
in our school.

Parent-Conference Meetings (3) Meant Additional Dates For Parents To Visit Our School

The Guidance Program Is Very Important . . .

STAFF MEMBERS:

Fred Blumenthal, Corlis Payne, James Cross, Jacqueline M. Leslie, Reginald Smith, and Paulette Kirkwood provided Excellent directions assistance and leadership to a much needed opportunity for students. THE CLOCKWATCHERS' committee provided a wide variety of leisure-time activities for students during the lunch periods.

Many staff members found an excellent addition to classroom activities with the special invitations extended to selected classes for some among the lunch periods activities.

We anxiously await the 1977-1978 schedule of events.

Services To Students

Mrs. E. Schottler, R.N.

Mrs. Rejeana Mckenna
Social Worker

In September, 1976 a College Prep Pilot Program was established in two high schools, Sumner and Northwest. These schools were staffed with teachers already capable of giving high level college preparatory academic course work. The major purpose is to provide a program which combines advanced level academic courses, remediation, guidance and planning for urban students who aspire to attend college.

Students receive comprehensive guidance and counseling services which assist in program planning, college selection, financial aid, and career choices. Students also receive individualized instruction and special tutoring in English and Mathematics. They can take advanced course work in areas of special skill and interest - reaching as high as they can to expand their knowledge and understanding. New courses are developed, such as those that may be needed at levels beyond normal course offerings and that help prepare students for college entrance testing. College representatives are invited and visit Northwest students. College Prep students are encouraged to attend to learn about admission requirements, scholarship information, and financial aid. Students are taken on field trips and tours of local colleges and universities. Some of the local universities visited this school year were Washington University, Saint Louis University, University of Missouri, Fontbonne College, Wevster College, S. I. U. Edwards-

ville, and Park College (Cahokai, Ill.). All of our juniors and seniors were taken to the College Fair 1976 in which they were introduced to more than 100 colleges and universities in the United States. Workshops were planned for seniors and juniors in our school library on the theme: "Planning for College".

Students are taken on field trips that relate to their career choices. Some of the places visited were Mercantile Bank, Board of Education's Data Processing Office, Barnes Hospital, Post-Dispatch, and Dorsey, Bussey, and Collier Law Firm, and Legal Aid Society. College professors are invited to teach classes. We have had guest from Saint Louis University and Webster College. College Prep students are also taken to theaters for cultural enrichment. Our ninth and tenth graders were taken to the American Theater to see "Bubbling Brown Sugar".

There are two schools advisory councils; a Parent Advisory Council (PAC) and a Student Advisory Council (SAC) which meet on a monthly basis to provide input and advice in decision making processes related to the College Prep Program. The College Prep Program is open to students of Northeast High School who desire to prepare to attend college, who receive teacher and counselor recommendations, and who have exhibited academic success in defined college preparatory courses.

Parent-Conferences - 1977;

Provided an excellent opportunity for the total staff to really become involved with the parents of our students and more than anything to become involved with each other. We discovered there are a number of gourmet chefs on this staff. The fellowship and communication in the waiting lines and at the dining tables is priceless and experiences we will continue to look forward to with each future Parent-Conference meeting.

Our Assembly To Honor Our Scholars . . .

ASSEMBLIES

Student Activities make up a very important part of the school day for the many students enrolled in any program. There is a very select group of students to be honored for achievements, some to be involved in special projects and all should be provided the opportunity to enhance listening skills. With these thoughts in mind, a variety in assembly programs is provided throughout a school year.

**Make sure the vehicle
you drive is safe...
Your future depends on it!**

McQuay-Norris

Manufacturing Quality Automotive Products since 1910

One Mercantile Center • St. Louis
Northland • Jamestown • South County
West County • Chesterfield

Since 1963, more than
200,000 people
have attended
St. Louis Community
College.

There must be a reason.

The college offers more than 80 career and
college transfer programs in allied health,
engineering, public service, business, and
arts and science. There are as many reasons
to attend St. Louis Community College as
there are people. Call one of the campuses
and tell them about yours.
